## CONSUMER ADVISORY

Burgers and Steaks cooked rare, medium or pink in the middle may be under cooked and are served only upon request. Eggs sunny-side up, soft boiled, over-easy, poached, with runny yolk or white are under cooked and served only upon request. Thorough cooking of such foods reduces the risk of illness.

The Dane County Department of Human Services, Public Health Division, advises that eating raw/under cooked meat, poultry, eggs or seafood poses a health risk to everyone, but especially to the elderly, young children under age 4, pregnant women and other highly susceptible individuals with compromised immune systems.
